CUSTOM ARTWORK REQUIREMENTS

FILES ACCEPTED

- Acceptable logo file formats are JPG, TIF, Photoshop, Illustrator, or EPS.
- Recommended minimum file resolution is **300 dpi**, and approximately 3" x 3" (or comparable) in dimension. Please do not send a low resolution file that has been pulled from a website.

LOGO MATCHING

- If you would like to match a specific color, **PANTONE** numbers are recommended.
- If any portion of your logo includes text, we recommend that you also provide us with the correct **font file** (TrueType or OpenType files accepted.) This is especially necessary if you would like us to place any logo text along a curve – see examples below.

TIMING

- Graphic renderings of an engraved dumbbell or plate design will be completed within 3 – 5 business days from receipt of logo files.
- Engraved samples will be completed with 5 – 7 business days from when the graphic layout is approved.
